

### Thesis Publication Permission Form

DIU desires to publish your thesis on our webpage: <https://www.diu.edu/academics/student-theses/>

Publishing your thesis adds to the reputation and prestige of the school and is an easy way to make your work available to the public. However, we recognize that some students, particularly those working in sensitive countries, would not desire to have their name and thesis title or their thesis available online. Also, you own the copyright to your thesis and should you desire to have your thesis published elsewhere, most publishers will not publish a work that is freely published on the Internet.

So please choose **ONE** of the options below:

#### 1. Publish Thesis Title and Student Name Only

I request that DIU publish only my Thesis Title and my Name as the author on their webpage, but not make the thesis itself available for public download.

#### 2. Publish Thesis Title and Student Name and Thesis itself
